

BRONCHO CHEER *December 2024* NEWSLETTER *Page 1*

Welcome to the first Broncho Cheer newsletter! Our hope is to highlight our program's successes throughout the year by sharing in this newsletter every few months. We are thankful to have three amazing squads that have been working hard since last spring. Please enjoy reading a small portion of their busy year so far.

Volunteering:

So far, we have participated in several community events and volunteer opportunities. Varsity worked the annual Cupcake Run for Education, JV performed at the annual Alzheimer's Walk, all three teams volunteered at the Broncho Football Family Day, and we helped with the Special Education Football Night. We are always looking for community involvement so please reach out with any opportunities.

What You Should Know:

- Our coed program is stronger than ever. We currently have 7 males on our Varsity squad and we continue working college-level coed stunts
- We brought in three UCA staff members and three Purdue cheerleaders this fall to work with our athletes
- We cheer all football games, plus all girls AND boys basketball games
- NEW: Varsity will cheer some boys volleyball games this spring

Competition:

Varsity competed four times throughout October and November, taking home 2 first-place wins and a well-deserved 3rd place at Hoosier Regional. We compete in the Game Day division in both UCA (Universal Cheerleading Association) and HCCA (Hoosier Cheer Championship Association). Our score at Regional awarded us a bid to Nationals, which we hope to be able to attend someday soon. Next year, we will compete for the very first time at HCCA STATE in November!

Newsletter

Shout-Outs:

-TWO Broncho Cheer athletes were selected as UCA staff members. Congratulations to Mason Killibrew and Paityn Drake

-Maryn Kennedy was selected as our Cheer representative at the annual Golden Broncho dinner in October

-FIVE seniors were selected as UCA All-Americans at camp this summer: Kayden Timberlake, Maryn Kennedy, Emilie Franklin, Avery Lennartz, and Danae Dillard

-THREE recent graduates were offered spots on college cheerleading teams

Youth Clinics:

Over the summer, Varsity hosted our first ever summer youth camp. We had a BLAST spending time with kids for three days of instruction, crafts, and games. We also hosted our fall Junior Cheer Clinic, where kids get to perform at halftime of a football game. Please be on the lookout for our upcoming winter Junior Cheer Clinic and a new clinic opportunity in the spring for middle school students. This will be geared toward helping 6th-8th graders prep for upcoming Tecumseh and Jeff tryouts.
